Subject Letter no 45 dated the 21st September 1903 from the President of the municipal Commission, Mysore City, regarding the distribution of pay of the Head Drivers Price during his absence on leave.

Mr Price, Head Drivers working at the Belagola Pumping Station, was on one months privilege leave combined with 23 days leave on medical certificate during his absence one Mr Blackwood, a Drivers on Rs 27/-, was told off to do the duties of Mr Price Mr Prices pay is only Rs 75/- & accordingly the acting incumbent could be paid only Rs 37½ but

Executive Engineer Hewerghatta Water Supply Division recommends that Mr Dashwood may be paid at Rs 50/- a month for the period he acted for Mr Price as no competent man would accept to go to Belagola for a less amount the difference between this and the moiety of Mr Prices pay available for disbursement viz Rs 50 − Rs 37½ = Rs 12½ a month will be an additional charge on municipal funds which is not permitted under Art: 217 of the Service Regulations. But in the special circumstances mentioned by the Executive Engineer, the President requests formal sanction to the additional charge amounting to Rs 49-3-1 being paid out of the General Saving under the Head Vanivilas Waterworks

There is no objection personal as Special Head has been sanctioned

the Board do not seem to have

further it is not clear how the excess expenditure to be adjusted is Rs 49-3-1
The details are as follows:-

1) Amount payable to Mr Dashwood at Rs 50/- pm for one month & 43 days } 124-3-1

2) Do available out of Mr Price's pay for that period = 93-2-4 ✓

Balance = 31-0-9 ✓

17/11/03

2 In this office District No 1981 D/the 26th Nov 1903 it was pointed out that the excess amount to be paid to Mr Dashwood over the savings out of Mr Price's pay is only 31.0.9 and not Rs 49.3.1 as reported by him and the President was requested to explain this discrepancy, and to submit a report the amount that may be saved under "Vani Vilas Waterworks Establishment" and also to submit a copy of the resolution of the Board agreeing to the excess charge being met from the Municipal Funds

3 The President now reports that the amount payable to Mr Dashwood is Rs 125-3-1 that the amount saved out of Mr Price's pay is Rs 55-10-4 (the

details furnished by the President
come up to Rs 56-13-8), and that
also Rs 193-12-0 (which of pay) were
saved out of Driver Durham's pay
during his absence on leave without
allowances from 26th Septr 1902 to
the end of July 1903 & submits a
copy of the resolution of the Board
of the 30.1.04 agreeing to the
excess charge which is now said to
Rs 68 8 9.

4 The amount due to Mr Dashwood
is only Rs 101-3-1 as originally
posted and not Rs 125-3-1. Mr Price
seems to have been allowed to
full pay from the 17th Decr 1902
to 15th January 1903, both days inclusive
on the ground that he was on
privilege leave. As he was
granted leave on medical certi
ficate from 16th Jany to end of
July 1903, the whole period should
be treated as leave on half pay
under Art 165 of the Mysore Service
Regulations. It may, therefore, be pointed
out to the President and he be
asked to recover the amount of
pay erroneously paid to Mr Price in
excess.

5 The President states that the
